

# O-SAN

ACCE  
Oct  
754  
UNDER THE FED  
FUNGICIDE AND  
FOR ECONOMIC  
ED UNDER NO.

## GENERAL INFORMATION

By using an **O-SAN** solution helps neutralize effects of some detergents and conditions hard waters to prevent spots. Keeps metal utensils bright and attractive. No lingering odors or dulling film. Washed utensil surfaces sanitized in **O-SAN** are "sleazy clean" - not slippery. Keeps sinks bright.

**O-SAN** controls odors and keeps drinking fountains free of lime accumulations or mineral stains. May also be used to wash room fixtures, sinks, water baths, steam tables, and hand basins. Brightens china, plastic, glass, stoves, steel, aluminum, copper, brass, nickel and mild steel surface.
