

1. INSTRUCTIONS FOR USE:

RID-A-BIRD must be used only in RID-A-BIRD perches. Do not use as a surface treatment. This ready to use concentrate is packaged in a dispenser bottle with proper pour spout, especially designed to engage RID-A-BIRD solution into the fill hole on the RID-A-BIRD perch. Fill until wick is saturated, but do not over fill. Use care to avoid spillage. Wear rubber gloves when servicing the perch.

RID-A-BIRD perches can be used only in the following areas:

- 1. In and around farm buildings
- 2. Pipe yards
- 3. Loading Docks
- 4. Building Tops
- 5. Inside other buildings
- 6. Bridges

Do not use inside a food storage, food processing or food handling building. Also keep areas to be treated free from bird food and feed in order to reduce hazard to non-target species of birds.

2. BIRDS TO BE CONTROLLED ARE:

- 1. Starling
- 2. English Sparrow
- 3. Pigeon

3. RESTRICTIONS FOR APPLICATORS:

For use only by persons trained in bird control work. Local, state and federal permits must be obtained by the user prior to bird control operations. Birds killed must be picked up, buried or burned.

NOTE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

ANTIDOTES

IF SWALLOWED. Give a tablespoonful of salt in a glass of warm water and repeat until the vomit is clear. Have victim lie down and keep quiet.

CALL A PHYSICIAN IMMEDIATELY!

IF ON SKIN. Wash immediately with soap and water.

DANGER: Poisonous by Swallowing, Inhalation, or Skin Contact! Do not get in eyes, on skin, or on clothing. Do not breathe vapors. In case of contact, immediately remove all contaminated clothing and flush skin or eyes with plenty of water for at least 15 minutes; for eyes get medical attention. Wear clean synthetic rubber gloves and a mask or respirator of a type approved by the U.S. Bureau of Mines for Endrin protection. Wash thoroughly with soap and water after handling and before eating or smoking; wear clean clothing. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. Do not contaminate feed and foodstuffs. Wildlife in contact with treated perches will be killed. Not for use or storage in or around the home. Do not contaminate water by cleaning of equipment or disposal of wastes.

SEE OUR BROCHURE

DESTROY CONTAINER WHEN EMPTY!
POISON! CAUTION!

4. ENVIRONMENTAL PRECAUTIONS:
RID-A-BIRD concentrate will kill fish if accidentally discharged into fish bearing waters. Non-target birds and wildlife coming into contact with RID-A-BIRD perches, with RID-A-BIRD concentrate in it, will be killed or injured. Bird and wildlife food or feed must be kept away from treated areas to minimize hazard to them.
Do not contaminate water by cleaning of equipment or disposal of wastes.
