RE:Notification per PR Notice 98-10 to make minor label changes and add ABN's
Product:Product:Algy Bar 230EPA Reg. No.:7616-57Company:KIK Pool Additives Inc.

Dear Ms. Campbell:

On behalf of KIK Pool Additives Inc., I am submitting a notification per PR Notice 98-10 for the product label Algy Bar 230, EPA Reg. No. 7616-57.

We are making the following changes:

Adding the following Alternate Brand Name:

Kem-Tek Pool & Spa Care Green Algaecide

Adding minor label claims (page 2) and graphics (page 3, highlighted). Note that the line on page 2 "Pool may be used in 15 minutes ...is at or below 3 ppm" incorporates a change EPA requested on 7616-73; we have incorporated it here to make labeling consistent.

Kit language minor change (page 4): Substituted clarifying reader's notes to allow flexibility to use already-approved language from other parts of the label on the front panel of the kit label. (There is no change to the requirement that the EPA registered product labels will be fully visible on the outside of the kit box.)

The following documents are enclosed in support of this notification:

- EPA form 8570-1
- One copy of the revised label (changes are highlighted)

If you have questions, please contact me at 301-680-7971 or cgriffin@delta-ac.com.

Sincerely stina Griffin
