7616-68

Date of Issuance:

Term of Issuance:
Conditional

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Name of Pesticide Product:
Algy Cop

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Chem Lab Products Inc.
5160 E. Airport Drive
Ontario, CA 91761

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Add the phrase "EPA Registration No. 7616-68" to your label before you release the product for shipment.
3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

Signature of Approving Official:

Date:

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Avoid contact with skin. Wash with soap and water after handling. Do not apply directly or through drift expose workers or other persons.

ENVIRONMENTAL PRECAUTIONS
This product is toxic to fish. Treated effluent should not be discharged into lakes, streams, rivers, or public waterways. See directions on this label.

DIRECTIONS:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Kem Tek ALGY-COP does an excellent job of controlling green, blue-green and mustard algae in swimming pools. For black algae use Kem Tek Granular Algacide.

Observe all precautions, directions and warnings per their labeling for all products being used.

1. Adjust pH of pool water to 7.2-7.6. Use Soda Ash to raise pH and Kem Tek pH Plus to lower pH. Follow directions on the label of all products used.
2. Add 1 pound SHOCK™ per 10,000 gallons of pool water. Oxidize water soluble wastes. (NOTE: Do not enter pool until 2.0 ppm.)
3. Add 10 oz. ALGY-COP per 10,000 gallons. Preferably, dilute the concentrate in water and apply to deep end of pool.
4. Filter continuously for 24 hours.
5. Remove dead algae by brushing. Vacuum if needed.
6. Add 5 oz. ALGY-COP per 10,000 gallons every two weeks as a maintenance treatment.
