HERCULES R-D root destroyer

Read Entire Label Before Using.

E.P.A. Registration No. 7687-1 E.P.A. Est. No. 7687NJ01
 Reg. CT D.E.P 22a-462-3 R.C.S.A.

TO OPEN, PRY OFF CAP WITH TOOL OR COIN

Hercules R-D is a concentrated chemical compound formulated for root control. When used as prescribed in DIRECTIONS, its slow dissolving crystals release a chemical treatment which is absorbed by infiltrating roots. This kills the roots which decompose and wash away without injury to the main tree or shrub. The portion of roots destroyed will not re-enter the sewer or drain. Hercules R-D can be used in lines leading to cesspools and septic tanks when used as directed.

DIRECTIONS

**IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.
 BEFORE USING, READ DIRECTIONS ON PACKAGE INSERT ENCLOSED, AND ALL PRECAUTIONARY STATEMENTS ON PACKAGE LABEL.**

**PRECAUTIONARY STATEMENTS:
 Hazards to Humans and Domestic Animals**

DANGER — Corrosive to eyes. Can cause substantial, but temporary, eye injury. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Causes skin irritation. May cause sensitizing reactions in certain individuals.

Wash hands, arms, and face thoroughly with soap and warm water after handling. Remove contaminated clothing and wash it before reuse.

IF SWALLOWED: Drink promptly if available, large quantities of an unconscious person. Get medical attention.

NOTE TO PHYSICIAN: Probable lavage. Measures against circulation may be needed.

IF SPLASHED IN EYES: Irrigate immediately with water for 15 minutes, and get medical attention.

IN CASE OF SKIN CONTACT: If persists, get medical attention.
IF INHALED: Remove victim to preferably mouth to mouth, and get medical attention.
ENVIRONMENTAL HAZARDS: Do not apply directly to water.

Store in original container or water, food or feed by storing container. Rinse plastic bag thoroughly.

DIRECTIONS

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. BEFORE USING, READ DIRECTIONS ON PACKAGE INSERT ENCLOSED, AND ALL PRECAUTIONARY STATEMENTS ON PACKAGE LABEL.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

DANGER — Corrosive to eyes. Can cause substantial, but temporary, eye injury. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Causes skin irritation. May cause sensitizing reactions in certain individuals.

Wash hands, arms, and face thoroughly with soap and warm water after handling. Remove contaminated clothing and wash it before reuse.

FIRST AID

IF SWALLOWED: Drink promptly lots of milk, egg white, gelatin solution, or if these are not available, large quantities of water. Avoid alcohol. Do not give anything by mouth to an unconscious person. Get medical attention.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed.

IF SPLASHED IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes, and get medical attention.

IN CASE OF SKIN CONTACT: Immediately wash skin with soap and water. If irritation persists, get medical attention.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth, and get medical attention.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not apply directly to water except as specified on labeling.

STORAGE AND DISPOSAL

Store in original container and keep in locked storage area. Do not contaminate water, food or feed by storage or disposal. Do not reuse the plastic bag or empty container. Rinse plastic bag thoroughly before discarding in trash.
