ENVIRONMENTAL HAZARDS

DIRECTIONS FOR USE GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in the control of house flies and other insects. Mix with water and spray on feed. Avoid contact with skin and eyes. Wash thoroughly with soap and water after use. Do not eat or drink. Wash hands after use.

Hubbard Energy Rol Block is a combination product containing Rabon Oral Larvicide and a feed supplement. It is used to control house flies and other insects on livestock. The active ingredient, Rabon Oral Larvicide, kills house fly larvae in the feed. The feed supplement contains vitamins, minerals, and other nutrients.

Directions for Use: Mix 1/4 lb. of Rol Block with 100 lbs. of feed. Use 1/2 lb. of Rol Block per 500 lbs. of feed. Use for 30 days.

General Classification: This product is classified as a limited use pesticide. It is restricted to use on livestock and poultry.

Storage and Disposal: Store in a cool, dry place. Do not store near food or feed. Dispose of plastic stretch wrap according to approved Federal, State, or local procedures under the Resource Conservation and Recovery Act.

STORAGE AND DISPOSAL
Dispose of plastic stretch wrap according to approved Federal, State, or local procedures under the Resource Conservation and Recovery Act.
