SPRAY**

U.S.D.A. Registration No. 7701-22

Alcohol Registration No. SDA-TENN-612

**HOSPITAL STRENGTH DISINFECTANT, DEO-  
DORANT** is a powerful formula designed  
to aid in the control of most infectious  
micro-organisms, including most bacteria.

This formula acts almost instantly and pro-  
vides residual bacteriostatic action for long  
periods on germ laden surfaces such as  
Metal beds and Springs, Linen Carts, Ham-  
pers, Refuse Cans, Clean-Up carts, Furniture,  
Toilet seats, Urinals, Telephones, Closets and  
other equipment, after these items have  
been properly cleaned. It reduces the hazard  
of cross infection by most bacteria and  
viruses.

**Non-Selective Odor Suppressant for Space  
Odor Conditioning.** Attacks malodors at the  
source. Refreshens indoor air.

Excellent for use on sport shoes (Bowling,  
Tennis, Basketball, Football etc.) Simply  
spray directly into shoes to control odors,  
mildew and the like. Dries instantly, leaving  
no oily residue.

**DIRECTIONS, FOR DISINFECTING:** Hold can  
upright about 6 to 8 inches from surface  
to be disinfected and spray for about 3  
seconds or until surface is wet.

**DIRECTIONS FOR DEODORIZING:** Hold can  
upright — point spray nozzle away from  
face — and spray into air towards center of  
room for about 4 seconds.

**CAUTION:** Contents under pressure. Avoid  
spraying on food. Store away from heat. Do  
not puncture or dispose of empty container  
in fire. **FLAMMABLE MIXTURE:** Do not spray  
near open flame. Do not smoke while  
spraying. Do not use on polished wood  
furniture or rayon fabrics.

**ACTIVE INGREDIENTS:**

Orthophenylphenol .....	0.08%
Para-Tertiary Amyl Phenol .....	0.02%
Ethyl Alcohol .....	53.46%

<b>INERT INGREDIENTS:</b> .....	<b>46.44%</b>
