21110-; avoid direct sun con-  
tact with the solution or a re-  
frigerant. Do not use the spray after  
too prolonged use. Do not  
allow contact with eyes. If con-  
tact occurs, immediately wash  
with plenty of cool water. Re-  
peated application if eye irrit-  
ation persists. Avoid contac-  
t with food and foodstuffs.  
Any item sanitized with this  
product that will come in contact  
with food must be rinsed thorou-  
ghly before use.
