SIZE

NET WEIGHT 1 LB. 2 OZ.

CAUTION: KEEP OUT OF THE REACH
OF CHILDREN. SEE OTHER CAUTIONS
ON BACK PANEL.

SPICE
ROOM DEODORANT
AND
AIR SANITIZER

SANITIZES AND DEODORIZES: Provides a temporary decontamination of the air by reducing airborne bacteria. Completely covers foul odors caused by smoking, cooking, bathrooms or sickness, with a clean pleasant fragrance. Deodorizes bowling shoes, gym shoes and other athletic equipment when each item is sprayed separately. May be used in motels, hotels, meeting rooms, schools, hospitals, restaurants, veterinary clinics, rest homes, old age homes and many other places where disagreeable odors are a problem.

DIRECTIONS FOR USE: Remove protective cap, hold dispenser upright pointing valve away from the face. By spraying room until a light fog forms this formula will reduce the number of airborne bacteria and virus particles. This will aid in providing a temporary decontamination of the air. Repeated applications should be made periodically according to conditions that prevail.

CAUTION: KEEP OUT OF REACH OF CHILDREN: Do not dispose of container in fire. Store at room temperature (not over 120 degrees F). Do not spray on food or painted surfaces. Avoid contamination of foods, food handling or food serving equipment.

ACTIVE INGREDIENTS:

Ethyl Alcohol -----	34.00%
Triethylene glycol -----	3.00%
Propylene glycol -----	3.00%
	<u>40.00%</u>
INERT INGREDIENTS -----	60.00%
