

57701-52]

For Use In Motels, Hotels, Institutions, Restaurants, Homes, Food Storage, Packaging And Processing Areas.

It is a space insecticide designed to be used through a misting machine and is not to be applied by spraying. It is a fast acting insecticide and is effective against the common household flying insects.

DIRECTIONS FOR USE: This space spray insecticide is especially formulated to control flies, mosquitoes, gnats, and wasps.

Direct a fine spray toward upper sections of the room. After filling the room with the mist, leave the treated area. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

WASPS: Application should be made in the late evening when wasps are at rest. Spray liberally into the hiding and breeding places, contacting as many of the wasps as possible. Repeat as necessary.

E.P.A. Reg. No. 7701-52

MANUFACTURED BY
Chemical Specialties, Inc.

Posi-Kill Space INSECTICIDE

A new synthetic pyrethroid for controlling the following flying insects: flies, mosquitos, gnats, and wasps.

ACTIVE INGREDIENTS:	
1% Siberen (Cyfluthrin) 2,2-dichloro-1,1-dimethyl-3-methylbutyl 3-phosphorothioate	100.000
Residual solvent	100.000
Amount per gallon of concentrate	100.000
Patented in U.S. Pat. Nos. 3,465,007	
NET INGREDIENTS:	
1.000	100.000
Use at a concentration of max 30 mg per gallon	
70 mg per gallon U.S. Pat. No. 3,465,007	

CAUTION:
KEEP OUT OF REACH OF CHILDREN

See side panel for further cautions

For Use In Motels, Homes, Restaurants, Homes, Food Storage, Packaging And Processing Areas.

CAUTION: HARMFUL: If you get it on your skin, contact with water and wash it off. If it gets in your eyes, wash them with water. If you breathe vapors or mist, get fresh air. Remove all children and pets from the room. If you get it on your clothes, wash them. Foods should be removed from the room. All food processing areas should be covered during treatment. Do not use before using. When using the product in areas, apply only when flying insects are present.

DO NOT USE, POUR, SPRAY, OR TREAT NEAR HEAT OR OPEN FLAME
CONTAINER DISPOSAL: Do not reuse this container for any purpose. Crush and discard in a non-recycling area away from water supplies.
