Chemical Specialties, Inc. 149 West Trigg Avenue Memphis, TN 38106

Attention: George W. King

Gentlemen:

Subject: Chemicide 42 Disinfectant EPA Registration No. 7701-59

Your Submission Dated February 10, 1987

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable provided that you:

- 1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Remove the Antiquete and the Active Ingredients and correct the Inert Ingredients percentages.
 - b. Delete the claim for AOAC Phenol Coefficients.
 - c. Flace under the USE DIRECTIONS heading the following statement:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- d. Change the FIRST AID heading to read STATEMENT OF PRACTICAL TREATMENT.
- e. Revise the Storage and Disposal statement to comply with PR Notice 83-3.
- 2. Clarify for us the street address change. Recording to our Rgy records your street address is 777 South Main Street. Is 149 West Trigg Avenue a new company address or a change in your company ownership?
