

This product is recommended for use wherever mosquitoes are a problem. It provides long residual control and is as effective against DDT-resistant strains as against non-resistant strains.

### WARNING

Apply this product only as specified on this label. This product may be fatal if swallowed, inhaled or absorbed through the skin. It is rapidly absorbed through the skin. Do not get in eyes, on skin or on clothing. Do not breathe spray mist. Wash thoroughly with soap and warm water after handling. Wash clothing with soap and hot water before reuse.

Avoid contamination of feed or food. Keep out of reach of children.

### FISH & WILDLIFE CAUTION

This product is highly toxic to some aquatic animal life. Shrimp, crayfish and crabs may be killed at the listed rates of application. Do not apply to lakes, streams, ponds or other bodies of water containing valuable fish or other aquatic species. This product is highly toxic to bees exposed to direct treatment. Protective information may be obtained from your Cooperative Agricultural Extension Service.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME

Not Reviewed. Registrant claims to be in accordance with Reregistration of Pesticide Product Guidance for Phase 2 Response, Page 2.12, Active to Inert Change in Status.

### DIRECTIONS FOR USE

Read the entire label before using this product. For thermal fog application or for mechanical sprayer application over mosquito infested areas, use this product as received, without further dilution. Apply with standard fogging machine calibrated to deliver 55 gallons per hour at a machine speed of 5 miles per hour to cover a swath width of up to 200 feet. This rate of application will require 1 gallon per 2 acres treated. Repeat as necessary.

For airplane application, use this product as received, without further dilution. Apply 1 gallon of product per acre treated. Allow at least three weeks between applications.

### OTHER USE RESTRICTIONS

Do not allow spray treatment or drift on pastureland, cropland, poultry ranges or water supplies. Do not use inside homes, in dairy barns, poultry houses or in buildings where food is processed. Do not apply directly to animals. Do not use on crops used for food, forage or pasture.

### DISPOSAL

Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not reuse empty drum. Return to drum reconitioner or destroy by perforating or crushing and burying in a safe place.
