See other precautions on side panel

MANUFACTURED FOR

This disinfectant mixes with water to form a **white Clean Emulsion**. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile, and most common metals. Has a pleasant pine odor.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS
AND DOMESTIC ANIMALS
DANGER

Causes severe eye, ear, skin, and clothing damage. Do not get in eyes, on skin, or clothing. Harmful if swallowed.

STORAGE AND DISPOSAL

Store only in tightly closed, original container in a secure area, inaccessible to children. Do not contaminate food, water or feed by storage or disposal.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest E.P.A. Regional office for guidance.

Triple rinse empty container with water. Return metal drums to reconditioner or puncture and dispose of in a sanitary landfill or by other procedures approved by State and local authorities.

Plastic containers may be disposed of in a sanitary landfill, incinerated, or, if allowed by local authorities, by burning. If burned, stay out of smoke. Do not reuse empty container.

Statement of Practical Treatment: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, promptly drink a large quantity of milk, raw egg whites, gelatin solution, or drink a large quantity of water. Avoid alcohol. Call a physician immediately.

This product may be used for cleaning and deodorizing, one-step cleaning and disinfection, or disinfection of pre-cleaned, non-porous, inanimate hard surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Use In: Restrooms, Restaurants, Food & Meat Processing Plants (non-food processing areas), other non-medical areas; Preclean surfaces, then disinfect with a solution of 4 oz of this product in 1 gallon of water. (1 part to 32 parts water). Alternatively, clean and disinfect in one operation using 6 oz. of this product per gallon of water.

For deodorizing garbage cans, garbage trucks, industrial waste receptacles, & garbage handling equipment: It is important to pre-clean for the product to perform properly. Then apply a wetting concentration of 16 oz. of this product per gallon of water.

This product may be used for cleaning and disinfecting hard, non-porous, inanimate environmental surfaces (glass, metal, tile, linoleum, porcelain, vinyl, smooth leather, finished wood surfaces) on walls, floors, appliances, and furnishings.

This product must not be used on food contact surfaces.

E.P.A. REG. NO. 7701-69
E.P.A. EST. NO. 7701-TN-1
