

- EFFECTIVE RESIDUAL TYPE
- ODORLESS, STAINLESS

**DIRECTIONS FOR USE:**  
**ROACHES, ANTS, WATER BEETLES, FISH & SPIDERS:** Spray only until wet. Spray heavily around baseboard and all places insects hide. Spray surfaces behind appliances, refrigerators, sinks, stoves, etc. Spray other localized areas infested with these pests, repeat spraying as required.

**CARPET BETTLES:** Make localized application to areas of floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat all crevices, cracks or closets, infested areas of shelving. Repeat as necessary.

**BROWN DOG TICKS:** Thoroughly infested areas as described above, should be repeated as infestation persists. Repeat as required.

- KILLS ANTS & FLIES
- KILLS RESISTANT ROACH

**DIRECTIONS (Continued):**  
**FLIES, MOSQUITOES, WASPS, MOTHS OUTDOORS:** For outdoor use only as in and to prevent annoyance from these insects. Spray on all surfaces of screens, doors, window frames, or wherever these insects may enter. Also treat surface around light fixtures on the porches, in garages, and other places where these insects alight and congregate.

**FLEAS, CHIGGERS & ANTS. Outdoors:** For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestation warrants or as reinfestation occurs.

**CAUTION:** Repeated or prolonged contact with the skin can cause toxic symptoms. Avoid inhalation or skin contact. In case of spillage on skin, wash with soap and water. Avoid contamination of food and foodstuff. Harmful if swallowed. Keep out of the reach of children. Do not spray toward open flame.
