

Comments 7726-18

INFORMATIVE

Triple Duty (diluted two ounces to one gallon of water) is safe on any washable surface (it will not harm any surface that water will not harm). For bacteriostatic effectiveness, do not rinse with water. The synthetic detergent combination does not leave a film. This saves time but most important, the unrinsed surface gives bacteriostatic action for several days.

DISINFECTANT PROPERTIES
 Attacks a wide range of pathogenic bacteria including *S. typhosa*, *Staph. aureus* (antibiotic resistant variations), *E. coli*, *S. dysenteriae*, *S. aerogenes*.

PHENOL COEFFICIENT 26 A.O.A.C. against *Staphylococcus aureus*, *Salmonella typhosa*, *Streptococcus Pyogenes*, *Salmonella Pullorum* and *Salmonella Schottmulleri*.

CONCENTRATED (1:60)
 Two ounces make one gallon—one gallon makes 60 gallons for general cleaning and disinfecting.

ACTIVE INGREDIENT(S)
 N-Alkyl ($C_{12}H_{25}C_{17}$) Dimethyl Benzyl Ammonium Chloride 5%

INERT INGREDIENT(S)
 Water and Ethanol 95%
 Total 100%

Chem MARK

TRIPLE "D"

**DETERGENT
DEODORIZER

CONCENTRATED USDA Registration No. 7726-18

**WARNING: KEEP OUT OF REACH OF CHILDREN.
SEE DIRECTIONS PANEL FOR OTHER PRECAUTIONS.**

GERMICIDAL

"SPECIALISTS IN GERMICIDAL SANITATION"

DIRECTIONS

Must be diluted before using—Use as specified and follow general cleaning procedures.

For walls, floors, operating theatres, urinals, food storage bins, animal cages and general deodorization: 2 OUNCES OF CHEM MARK TRIPLE DUTY TO 1 GALLON OF WATER.

For cold storage rooms, garbage cans, showers and bathing areas—4 OUNCES OF CHEM MARK TRIPLE DUTY TO 1 GALLON OF WATER.

NOTE
 When disinfection is necessary (as in sick rooms, hospitals or places where contagious disease germs are known to be present) clean with (4 to 1) solution as directed above, then rinse with fresh solution using 1 ounce of Triple Duty to each quart of water.

WARNING
 May cause skin irritation or damage to the eyes. Do not get in eyes, on skin, or on clothing. In case of contact, flush immediately with water. For eyes, get medical attention. Avoid contamination of food.

Rinse empty container thoroughly with water and discard it.
