NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

THIS NOTICE IS SUBJECT TO THE PROVISIONS OF FEDERAL INSECTICIDE, FUNGICIDE AND RODENTICIDE ACT SECTION 10(c)(7)(C) FROM 1974 TO 1984:

1. Submitting a label for a pesticide registered under this Act shall constitute a representation that the registrant is a manufacturer, producer, or distributor of the pesticide, and that the pesticide is registered under this Act.
2. Delete the word "Use with caution" from the precautionary statement.
3. Submit the (1) copy of the final printed label before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.
