

ANIMAL REPELLENTS, INC., GRIFFIN, GEORGIA

deer repellent

Net Weight
12 oz. avoirdupois

CAUTION: KEEP OUT OF REACH OF CHILDREN
Read precautionary label on rear panel

Net Weight 12 oz. avoirdupois

Net Weight 12 oz. avoirdupois

APPLICATION:

Apply to plants, trees, shrubs, and other vegetation to be protected from deer damage. Spray thoroughly, covering all surfaces. For best results, apply in the evening. The repellent will last for several weeks. For best results, re-apply after heavy rain or after the repellent has been washed off by heavy rain. Do not use on plants that are to be used for food.

ACTIVE INGREDIENT:

Thiram (tetramethylthiuram disulfide) 10%

INERT INGREDIENTS:

Water 90%

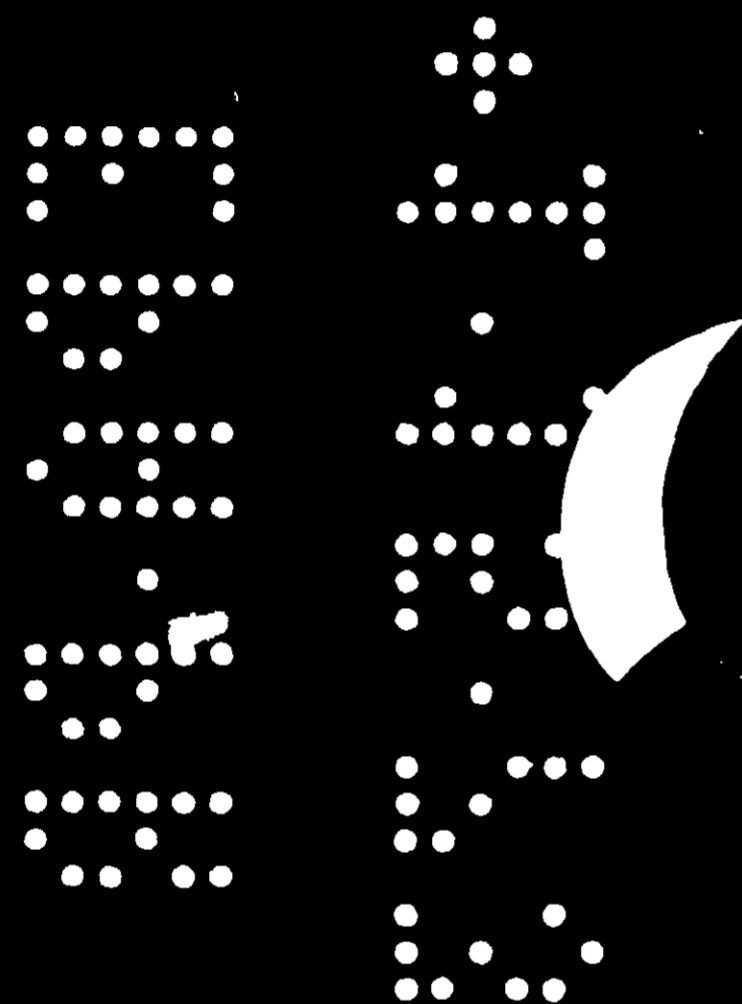

CAUTION. May irritate eyes, nose, throat, and skin. Harmful if inhaled or swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes, and clothing. In case of contact, flush skin or eyes with plenty of water. For eyes, get medical attention.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by washing of equipment, or disposal of wastes. Use only as specified on this label.

WARNING: Contains ingredients which are irritants. Do not use or store near heat or open flame. Exposure to temperatures above 120°F may cause the container to burst. Do not throw container into fire or incinerate.

SHAKE WELL BEFORE USING. AFTER USE INVERT CAN AND CLEAR VALVE BY SHORT SPRAY.

APPLICATION: One application of this repellent and fungicide will protect fruit trees, shrubs, ornamentals and nursery stock from two months to a full season. Thoroughly cover to a point well above the reach of the animal. Abundant new growth must be protected by repeated spray. For best results application should be made prior to expected time of animal damage and under favorable drying conditions. For protection over the winter, thoroughly spray the twigs following leaf fall to a height of 5 feet. Do not use on plant parts that are to be used for food or feed.
