DACTHAL PLUS THREE

Treats 2,500 Sq. Ft.
 Special Way Benefits

- (1) Full feeding and soil burning when used as directed.
- (2) One application effectively prevents 27 hard to control weeds. Provides season long control.
- (3) Kills soil insects such as beetle grubs and ants. Kills the grubs and ants by killing the grub and ant when they feed.
- (4) Iron and additional 6 plant nutrients help green and grow your lawn grass by providing soil nutrients where needed.

Directions For Use

When To Apply: Apply to lawns in the spring and fall. Apply to lawns in the spring before the weeds start to grow. Apply to lawns in the fall after the weeds have died. Apply to lawns in the spring and fall. Apply to lawns in the spring and fall. Apply to lawns in the spring and fall.
