Halt II Dog Repellent  
EPA Reg. No. 7754-38  
Your submissions of August 13, 1999

The labeling submitted with the above letter is acceptable, provided that you submit one (1) copy of final printed labeling with the following change to each product before you release for shipment:

1. Because the product contains over 10% petroleum distillates, add "Contains Petroleum Distillate" at the end of the Ingredient Statement.
2. Revise your PRECAUTIONARY STATEMENTS as follows:

#### PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

#### CAUTION

Contact with capsaicin through touching or rubbing eyes with contaminated fingers or gloves may result in temporary eye irritation. Irritating to the nose and skin. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
