Winston-Salem, NC 27104

Dear Mr. Dixon:

Subject: Bee Dopper Wasp & Hornet Spray
EPA Registration No. 7754-39
Your Letter Dated June 13, 1990

The labeling submitted in connection with registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable subject to the comments listed below. A stamped copy of the label is enclosed for your records.

1. In the ingredient statement, the ingredient names should not run into the column of percents.
2. Delete the designation "w/w" from the ingredient statement.
3. The percentages of the ingredients should be aligned by percentage point.

These changes must be made at the next printing of the label or

Sincerely yours,

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Avoid contact with eyes or clothing. Wash thoroughly after handling. Harmful if swallowed. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Remove pets and cover fish aquariums before spraying.

STATEMENT OF PRATICAL TREATMENT

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.
IF SWALLOWED: Do not induce vomiting because of aspiration hazard. Call a physician immediately.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, marshes, and pastures). Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL AND CHEMICAL HAZARDS: Contains under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never pour container into fire or incinerator.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. For use in and around hotels, motels, houses, greenhouses, and lawns, food handling establishments, packing and processing plants, seed houses, commercial, industrial, office, institutional and storage buildings, dairies, milk storage rooms, egg processing plants, supermarkets, restaurants, feeding plants, nurseries, law and seed mills, bakeries, boats, strip cabins and hospitals. In hospitals, patients should be removed prior to treatment. Also for use in buses, automobiles, trucks, trailers and ship cargo holds. Also for use in dog kennels and horse stables. In horse stables, not for application if horses will be used for food. In food handling areas, food should be removed or covered previous to treatment. All food processing surfaces should be covered or thoroughly cleaned before using. Apply only when facility is not in operation. Remove protective cap. Aim spray opening away from person. Push button to spray.

INDOOR: TO KILL WASPS, HORNETS, YELLOW JACKETS: Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, particularly under rafters, contacting as many insects as possible. Saturate areas in and around nest openings. Repeat as necessary.

TO KILL SPIDERS: Spray directly on these pests and use repeated applications to the webbing and all cracks and crevices which harbor spiders.

OUTDOORS: TO KILL WASPS, HORNETS, YELLOW JACKETS: Application should be made in late evening when insects are at rest. Also spray at nest openings in trees, bushes, under eaves, chimneys, cracks and crevices to saturate in and around nest openings. Contact as many insects as possible.

Repeat as necessary.
TO KILL SPIDERS: same as directed for indoor applications.

STORAGE: Keep in labeled storage area.
CONTAINER DISPOSAL: Replace cap and discard container in trash.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon test believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects obtained or the results to be obtained if not used in accordance with directions, or in violation of the label. The buyer must assume all responsibility, including injury or damage resulting from the use of this product, or in combination with other materials.
