**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
**Read all directions before using this product.**

- Do not spray in enclosed areas.
- Do not apply over cuts, wounds, or irritated skin.
- Do not apply to eyes or mouth and do not apply to the hands of young children. Do not spray directly on face.
- Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.
- After returning indoors, wash treated skin with soap and water. Wash treated clothing.
- Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to the doctor, take this repellent with you.

To repel the insects listed on the Front Panel apply to all exposed skin areas. To apply to face, spray on hands and rub on, avoiding eyes and lips. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

**Storage:** Store in dry area away from heat and open flame.

**Do Not Puncture or Incinerate!**

**If empty:** Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
