

Mr. J. Gordon Dixon
ARI Dixon Investments, Inc.
PO Box 510
Orchard Hill, Ga 30266

Dear Mr. Dixon:

2 SEP 1992

Subject: Revised Labels: PR Notice 91-4
Bug Barrier
EPA Reg. No. 7754-40
Bug Barrier II
EPA Reg. No. 7754-41 ✓
Bug Barrier 100%
EPA Reg. No. 7754-36
Submissions: August 28, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

As new labels are printed, make the following changes:

For all three repellents: delete the term- liberally. This term is inconsistent with the intent expressed in the PR Notice. Also, return the statement-It is a violation of Federal law to use this product in a manner inconsistent with it's labeling- directly following the heading DIRECTIONS FOR USE. The statement-Read all directions before using this product-may then follow.

For reg. no. 7754-40, reinstate the ingredient substatement for MGK 326-**MGK repellent 326.

Sincerely,

RFM

Richard F. Mountfort
Product Manager 10
Insecticide & Rodenticide Branch
Registration Division (H7505C)

Physical or Chemical Hazards

EXTREMELY FLAMMABLE: Contents under pressure.
May ignite from heat, sparks, and open flame. Do not puncture or
burn. Exposure to temperatures above 130°F may cause

DIRECTIONS FOR USE

Read all directions before using this product.

- Do not spray in enclosed areas.
- Do not apply over cuts, wounds, or irritated skin.
- Do not apply to eyes and mouth and do not apply to young children. Do not spray directly on face.
- Use just enough repellent to cover exposed skin and not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.
- After returning indoors, wash treated skin with soap and water.
- Use of this product may cause skin reactions in rare cases. If you or your child is reacting to this product, wash with water and call your local poison control center. If you go to a doctor, show him this repellent with you.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To repel the insects listed on the Front Panel, remove the cap and hold can at least 12 inches away, point valve in desired direction and press button to spray. To apply to face, spray on hair and avoid eyes and lips. Repeat as needed. For ticks and mosquitoes, apply liberally to shoe tops, socks and around openings in clothing.

STORAGE AND DISPOSAL

- Storage:** Store in a cool dry area away from heat or fire.
- Disposal:** Replace cap and discard container in trash. Do not incinerate or puncture.
