DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL. DO NOT SPRAY IN ENCLOSED AREAS.

To repel the listed insects, use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over application of this product. Frequent re-application and saturation is unnecessary for effectiveness. To apply to face, spray into hands first and then apply sparingly and avoid eyes. Do not spray directly on face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds or irritated skin. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you. Avoid contact with plastics, such as eyeglass frames and such fabric as acetate rayon. Do not spray in enclosed areas.

Storage: Store in dry area away from heat and open flame.

Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
