Subject: Amended Reregistration Label
Bug Barrier II Personal Insect Repellent
EPA Registration Number: 7754-41
EPA Decision Numbers: 414158

Dear Mr. Adams:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the referenced product in connection with the MGK-264 **RED**, and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated May 28, 2012

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Samantha Hulkower at 703-603-0683 or hulkower.samantha@epa.gov.

Sincerely Yours,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

WARNING

Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed or absorbed through skin. Avoid contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before use.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

Use Restrictions: Do not use under clothing. Avoid over application. Do not apply over cuts, wounds, or irritated skin. Do not spray directly on face. To apply to face, spray into hands first and then apply sparingly and avoid eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not allow children to handle product. Do not apply to children's hands. When using on children, apply to your own hands first and then put it on a child.

To repel the listed insects: Use just enough repellent to cover exposed skin and/or clothing. For ticks and chiggers, also apply to shoe tops, socks and around openings in clothing. Frequent re-application and saturation is unnecessary for effectiveness. Do not apply more than 3 times per day to children ages twelve (12) and under.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this product with you.

Avoid contact with plastics, such as eyeglass frames and such fabric as acetate rayon. Wash hands after applying. Product may damage painted or varnished surfaces. Do not spray in enclosed areas.

STORAGE AND DISPOSAL

Pesticide Storage: Store this product away from open heat or flame in an area inaccessible to children.

Pesticide Disposal: Do Not Puncture or Incinerate! **If empty:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
