

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (H7505C)
 401 "M" St., S.W.
 Washington, D.C. 20460

EPA Reg. Number:

7754-43

Date of Issuance:

AUG 31 1993

NOTICE OF PESTICIDE:

- Registration
- Reregistration

Term of Issuance: Until
 Reregistration

Name of Pesticide Product: ARI Roach
 and Ant Killer

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

ARI
 P.O. Box 510
 Orchard Hill, Georgia 30266

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 7754-43."
- b. In the Hazards To Humans & Domestic Animals section, delete the sentence, "Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed."
- c. In the DIRECTIONS FOR USE/To kill Fleas and Brown Dog Ticks Indoors, revise the sentence, "To avoid reinfestation, pets must be treated..." to "To avoid reinfestation, pets should be treated...." Revise the sentence "Humans and pets should avoid contact with treated surfaces..." to "Humans and pets must avoid contact with treated surfaces..."

Signature of Approving Official:

PRECAUTIONARY STATEMENTS Hazards To Humans & Domestic Animals

CAUTION

Harmful if swallowed. Keep out of reach of children. Avoid breathing spray mist. Avoid skin and eye contact. Wash thoroughly after handling and before eating or smoking. Do not allow children or pets to contact treated surfaces until spray has dried.

Do not spray air in rooms or use on plants. Apply as a surface spray only.

Do not allow spray to contact food, feedstuffs or water supplies. Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in food serving areas while facility is in operation or food is exposed. Thoroughly wash dishes and food handling utensils contaminated with this product.

Remove pets and cover fish bowls before spraying.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to lakes, streams, or ponds. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

Physical Or Chemical Hazards

Contains under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause heating.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Storage: Store in original container in a cool dry place inaccessible to children and pets. Do not transport or store below 32°F.

Disposal: Wrap container in several layers of newspaper and dispose of in trash. Do not puncture or incinerate.

To operate hold can upright, direct surface toward the surface to be treated and press the actuator button. Do not use as a spray spray.

SHAKE WELL BEFORE USING

To kill *Ants, Carpenter Beetles, Cockroaches, Crickets, Earwigs, Fleas, Flies, Mosquitoes, Spiders, Silverfish and Spiders*: thoroughly apply as a spot treatment to areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, under carpets, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Spray on trails, nests and points of entry.

To kill *Flies and House Fly Larvae*: Clean premises thoroughly before treatment. Spray on inconspicuous area of furniture, carpet or flooring to check for possible staining or discoloration. Spray the entire floor and carpet area. Special attention should be given to cracks, crevices and under carpet and rug edges. Also treat animal sleeping quarters, closets, upholstered furniture (with particular attention to seams), under sofas and other furniture. In animal sleeping quarters, bedding should be cleaned or replaced with fresh bedding. Do not use in nurseries or any area where infants may sleep. **DO NOT TREAT ANIMALS WITH THIS FORMULATION.** To avoid misadventure, pets must be removed simultaneously with an EPA approved insecticide labeled for use on animals. Application should be repeated as necessary. Humans and pets should avoid contact with treated surfaces (e.g., upholstered furniture, etc.) until they are dry.

TO CONTROL: *Flies, Gnats, Horvats, Mosquitoes, Small Flying Moths, Wasps and Yellow Jackets*; use only on outdoor surfaces. Spray outside surfaces of windows and door frames and other areas where these pests may enter the home. Also spray dark corners and localized nesting sites, such as under eaves, porches, partitions and in garages where these insects may congregate. *Flies and Mosquitoes* coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A SPOT AND/OR CRACK AND CREVICE TREATMENT IS NOT PERMITTED.

Application within food handling establishments (places other than private residences in which exposed food is held, prepared, packaged or served) including, but not limited to, areas for receiving, storage, packing (freezing, bottling, wrapping, boxing), preparing food, edible waste storage and mechanical processing systems (mills, slicers, coffee mills, grinders) and serving areas (when food is exposed and facility is in operation): Use as a crack and crevice treatment in and around both food and non-food areas to control *Ants, Cockroaches, Crickets, Silverfish, Spiders and Waterbugs*. Apply in small amounts directly into cracks and crevices, in points between different elements of construction, between equipment and floor, openings leading to voids and hollow spaces in walls equipment legs and base. Do not use this product in condenser, motor housings, junction or switch boxes because of possible shock hazard. If there is a need to treat such areas, use only oil-base sprays. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food and food processing surfaces. Application Within Food Serving Areas (facilities where foods are served, such as dining rooms, bar/cocktail areas where foods may be prepared or held): Apply as a spot treatment to relative surfaces, such as baseboards, under elements of construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed).

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given hereon.
