 Reregistration

Name of Pesticide Product: ARI Flea
& Tick Spray IV

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

ARI
P.O. Box 510
Orchard Hill, GA 30266

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 7754-54".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with the label directions.

FOR INDOOR USE ONLY

Flea Spray kills fleas and ticks. It contains a unique combination of ingredients that kill fleas and ticks. Even kills fleas before they grow up to bite. NYLAR, a flea spray, continues to kill fleas for 120 days (4 months) by preventing them from reaching the adult biting stage. It reaches fleas hidden in carpets, rugs, drapes, upholstery, cracks. Protects your home from reinfestation and fleas buildup, your pet's treatment with this spray gives continuous flea protection for 120 days. It is a sticky mess and, used as directed, does not stain furnishings.

FLEAS & TICKS: SHAKE WELL. Hold can 2 or 3 feet from surfaces to be treated and spray uniformly using a sweeping motion to carpets, rugs, drapes and all surface areas. Be sure to treat pet bedding as this is a primary hiding place for fleas. No need to vacuum. **DO NOT TREAT PETS.** Use a registered flea control product on your pet. Repeat as necessary. Avoid wetting furniture and carpeting. Thorough and uniform application is all that is necessary to kill fleas and ticks.

STORAGE AND DISPOSAL

- STORAGE:** Store in a cool, dry place inaccessible to children.
- DISPOSAL:** Do not reuse empty container. Wrap container in newspaper and discard in trash.
