 U.S.A. Reg. No. 7764-25

HERITAGE HOUSE 72% CHLORDANE INSECT SPRAY

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS

DIRECTIONS

Do not store diluted spray. Make new mixture.

HOUSEHOLD PESTS — INDOORS

Ants, Roaches, Silverfish, Centipedes, Crickets, Fleas, Mosquitoes, Spiders and certain other insects. Mix 5 tablespoons in 1 gallon of water. Thoroughly spray, or paint areas around door sills, window frames, baseboards, corners, pipes and other infested areas. Repeat application as necessary. Use as spot treatment only.

DO NOT CONTAMINATE FOOD, UTENSILS, DISHES, OR DRINKING WATER

LAWN PESTS:

Ants, Boxelder, Bugs, Chiggers, Earthworms, Earwigs, Japanese Beetle Grubs, White Grubs, Lawn Moth, Mosquitoes, Mole Crickets, Ticks, Wireworms, and others. Mix 4 tablespoons in 6 gallons of water per 500 sq. ft. of lawn. When treating for surface pests, water lawn thoroughly before treatment and do not water again for 2 to 4 days after treatment. When treating for lawn root feeders, water heavily after treatment to wash spray into soil.

MOLES: The above treatment for insects has proven effective in reducing damage by Moles which feed on such insects. Keep children and pets off treated areas until the areas are well watered and have dried completely.

NOTE: Birds feeding in treated areas may be harmed.

PESTS ON FLOWERS, ORNAMENTALS TREES AND SHRUBS Japanese Beetles, Bagworm, Leaf Beetles, Leafminers, Thrips, and certain other insects. Mix 1 teaspoon per gallon of water and spray plants and ground around plants, until run-off appears. Repeat as necessary.

PROTECTION AGAINST SUBTERRANEAN TERMITES

Apply to soil around foundation of buildings. Use 4 gallons of water per 100 sq. ft. of area. For details on application, see label directions.

WARNING: Harmful if swallowed. Avoid direct contact with skin. Can cause toxic symptoms. Wash with soap and water. For eye contact, flush with water for 15 minutes, get medical attention. Wash hands after use. Avoid contamination of feed and foodstuffs, household pets or humans. **DO NOT USE, STORE NEAR HEAT OR OPEN FLAME.** Do not use in bloom, as chlordane is toxic to pollinizing insects. **DO NOT apply to plants or lawns that are not well irrigated.** Do not use if temperature exceeds 90° F. Do not contaminate water. When container is empty, immediately wash and destroy. Never re-use.

Toxic to fish and wildlife. **DO NOT** contaminate ponds, streams or lakes. Keep out of lakes, streams or ponds. Destroy container when empty. **DO NOT** reuse.

WARRANTY AND LIMITATION OF DAMAGES

PESTS ON FLOWERS, ORNAMENTALS TREES AND SHRUBS

Japanese Beetles, Bagworm, Leaf Beetles, Leafminers, Thrips, and certain other insects. Mix 1 teaspoon per gallon of water and spray plants and ground around plants, until run-off appears. Repeat as necessary.

PROTECTION AGAINST SUBTERRANEAN TERMITES: Dig trench 8" wide along entire exterior foundation to 15" depth. Mix 8 teaspoons per gallon and use 2 gallons per 5 linear feet. Apply to trench and to the backfill. For deep foundation, dig 30" trench and apply in same manner, using 4 gallons per 5 linear feet. (Do not dig below depth of footing). Inspect annually to determine need for re-treatment.

WARNING: Harmful if swallowed. Avoid breathing spray mist. Contact with skin can cause toxic symptoms. In case of contact with skin, wash with soap and water. For eyes, flush with water for 15 minutes, get medical attention. Wash hands after use. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans. **DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.** Do not apply on plants in bloom, as chlordane is toxic to pollenizing insects. Do not apply to plants or lawns that are not well irrigated or when air temperature exceeds 90° F. Do not contaminate drinking water. When container is empty, immediately wash thoroughly and destroy. Never re-use.

Toxic to fish and wildlife. **DO NOT** contaminate ornamental fish ponds. Keep out of lakes, streams or ponds.

Destroy container when empty. **DO NOT** reuse.

WARRANTY AND LIMITATION OF DAMAGES

SELLER warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and BUYER assumes the risk of any use contrary to such directions. SELLER makes no other expressed or implied warranty, including any other expressed or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of SELLER is authorized to do so except in writing with a specific reference to this warranty. In no event shall SELLER'S liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
