ZOE HAMSTER & GERBIL SPRAY

A multi-purpose spray for use on hamsters and gerbils. It is a combination of Pine Oil and other natural ingredients. It is safe for use on all types of hamsters and gerbils. It is effective against fleas, ticks, and other parasites. It also helps to keep the animal's skin clean and healthy. It is easy to use and does not require any special equipment. It is available in a 7 oz. spray bottle.

Directions: Spray the animal's body thoroughly, paying special attention to the neck, ears, and tail. Avoid spraying the animal's face. Repeat the application every 7 to 10 days.

Caution: Do not use on birds, cats, dogs, or other animals. Do not use on humans. Do not use on open wounds or irritated skin. Do not use on animals that are pregnant or nursing. Do not use on animals that are sick or stressed. Do not use on animals that are under the influence of any drugs or medications. Do not use on animals that are allergic to any of the ingredients. Do not use on animals that are sensitive to pine oil or other natural ingredients. Do not use on animals that are allergic to any of the ingredients. Do not use on animals that are sensitive to pine oil or other natural ingredients.
