

BLEACH

ACTIVE INGREDIENTS: SODIUM HYPOCHLORITE 5.25% INERT INGREDIENTS: 94.75%

SHATTER PROOF LIGHT WEIGHT PLASTIC BOTTLE

MAY BE USED FOR WHITE NYLON • ORLON • DACRON

CAUTION: KEEP OUT OF REACH OF CHILDREN

SEE BACK PANEL FOR ADDITIONAL CAUTIONS

DIRECTIONS

USE FOR WHITE AND FAST COLORS ONLY

IN THE LAUNDRY: Add $\frac{1}{8}$ cup of GIBSON'S bleach per each 2 gallons of water. Boiling is unnecessary. Mix well. Wash in usual way. As a bleach add $\frac{1}{8}$ cup or 1 oz. per 2 gallons water or one cup GIBSON'S bleach per each washing machine load (16 gallon machine). Rinse in several waters before drying. In automatics bleach should be added to suds water before clothing is placed in machine. If added while clothing is in suds, dilute with 1 quart of water before adding.

STAIN REMOVER: To remove scorch, ink, fruit, tea, coffee, grass or other stains, add $\frac{1}{4}$ cup of GIBSON'S bleach to quart of water. Mix well and allow to soak until stains disappear. Rinse thoroughly.

BATHROOM & KITCHEN: For drain pipes, bath tubs, and toilet bowls, use full strength. Do not let stand or use with other household chemicals. We recommend one part of GIBSON'S bleach to 20 parts of water or $\frac{1}{4}$ cup per quart of cold or luke warm water for cleaning refrigerators. Clean garbage cans and rinse with GIBSON'S bleach (undiluted), then rinse again with plain water.

TO CLEANSE OR DEODORIZE: All surfaces in bathroom and kitchen use 1 oz. or $\frac{1}{8}$ cup of GIBSON'S bleach per 2 gallons of water. Cleanse surfaces with warm suds. Rinse. Follow with GIBSON'S bleach solution. Soak 5 minutes. Rinse well.

CAUTION: Undiluted GIBSON'S bleach will irritate skin or eyes. Rinse immediately. If accidentally taken internally, feed cooked cereal followed by salad oil. Call doctor. Do not use in copper, aluminum or iron vessels. Use in porcelain or enamel lined vessel.

Active Ingredients: Sodium Hypochlorite 5.25% • Inert Ingredients: 94.75% by Wt.

KEEP BOTTLE UPRIGHT IN COOL PLACE

CAUTION: KEEP OUT OF THE REACH OF CHILDREN

IF SPLASHED IN EYES, FLOOD WITH WATER. IF SWALLOWED FEED MILK
CALL PHYSICIAN . . . IF SPLASHED ON SKIN, WASH WITH WATER.
