This product contains
pesticide

FOR USE ON DOGS AND CATS:
To kill fleas, lice, ticks, mosquitoes, and gnats on dogs and cats, spray the animal from a distance of 8 to 12 inches. Start spraying at the tail, making sure that the animal's entire body is covered, including the legs and under the body. As you spray, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Do not spray directly into the eyes or face. Repeat if insects reappear.

FOR USE ON CARPETS
Spray pet bedding and rugs and carpets where fleas breed. Hold 12 inches from area and spray evenly in sweeping motion until slightly damp. Repeat as necessary. For best results, treat pets before allowing them to enter treated areas. If used on light or delicate upholstery or carpet, test in an inconspicuous place prior to use.

Storage: Store in a cool area away from heat or open flame

Disposal: Do not reuse empty container. Wrap container and put in trash collection

ENVIRONMENTAL CONCERNS

While the product is made from Chrysanthemum, Shaklee is concerned about a clean, healthy environment, so to protect our water, keep it out of lakes, ponds or streams. When container is empty, dispose of it responsibly.

COMBUSTIBLE at 113°F Do not use or store near heat or open flame
