(EPA Registration Number 7969-136)

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Important**

Before using this product, read carefully all applicable directions, restrictions and precautionary statements on the EPA-registered container label and Directions for Use Booklet attached to the MARKSMAN Herbicide container.

This label must be in the possession of the actual product user at the time of application.

**TILE-TERRACED FIELDS CONTAINING STANDPIPES**

To ensure protection of surface water from run-off through standpipes and tile outlets in terraced fields, one of the following options may be used:

Do not apply this product within 66 feet of standpipes in tile-outletted terraced fields.

Apply this product to the entire tile-outletted field and immediately incorporate it to a depth of 2-3 inches in the entire tile-outletted terraced field.

Apply this product to the entire tile-outletted field under a no-till practice only when high crop residue management practices are used. High crop residue management practice is described as a crop management practice where little or no crop residue is removed from the field during or after crop harvest.

Always consult the label for the other use directions and limitations.
