UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON D.C., 20460

OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

MAY 18 2010

BASF Corporation.
26 Davis Drive
Research Triangle Park, NC 27709

Attention: Edward Jordan
Regulatory Manager

Subject: Dazomet Technical Manufacturing Use Product
EPA Reg. No. 7969-161
Amendment Application Date: February 19, 2010

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. The Agency has no objections to the revisions to the Environmental Hazards, Container Disposal and Conditions of Sale and Warranty statements. Also, the Agency has no objections to adding a Spanish signal word and statement. A stamped label is enclosed for your records.

If you have any questions concerning this letter, please contact Demson Fuller at (703) 308-8062.

Sincerely,

A handwritten signature in cursive script, appearing to read "M Swindell".

Marshall Swindell
Product Manager (33)
Regulatory Management Branch 1
Antimicrobials Division (7510C)

The Chemical Company

Dazomet Technical

MANUFACTURING USE PRODUCT

For use in the formulation of microbiocides and wood protectants only

Active Ingredient:

Dazomet (Tetrahydro-3,5-dimethyl-2H-1,3,5-thiadiazine-2-thione)..... 99%

Other Ingredients:..... 1%

Total:..... 100%

EPA Reg. No.: 7969-161

EPA Est. No.: 7969-DEU-001

KEEP OUT OF THE REACH OF CHILDREN

WARNING/AVISO

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

Precautionary Statements

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING. May be fatal if swallowed. Prolonged contact may cause irritation of skin, eyes and mucous membranes. **DO NOT** breathe dust. Avoid contact with skin, eyes and clothing. Wash hands thoroughly after contact.

FIRST AID

If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • DO NOT induce vomiting unless told to do so by the poison control center or doctor. • DO NOT give anything by mouth to an unconscious person.
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container label with you when calling a poison control center or doctor or going for treatment. You may also contact BASF corporation for emergency medical treatment: 1-800-832-HELP (4357)

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, aquatic invertebrates, oysters, and shrimp. This pesticide is expected to be toxic when in contact with terrestrial or aquatic plants. **DO NOT** discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. **DO NOT** discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with this labeling. This product is for **FORMULATING USE ONLY** into EPA registered Antimicrobials for the following uses: As a preservative of industrially prepared water based suspensions (pigment and mineral slurries, adhesives, polymers and starches) as an antimicrobial in oilfield operations (drilling muds, packer fluids, process waters and pipeline and tank maintenance); for the preservation of clay slurries, adhesives, coatings and high viscosity suspensions; for control of algae, fungi and slime forming bacteria in recirculating cooling water systems; to inhibit bacterial and fungal growth in epoxy flooring compounds; to inhibit the growth of slime forming bacteria and fungi in pulp and paper mill process water systems and for the protection of wood and wood products (such as utility poles, piling timbers and other large solid or laminated wood products) against fungal decay. Formulators using this product are responsible for obtaining EPA registration for their formulated product and for providing appropriate data. This product is not to be used to formulate products designed for use in once-through cooling systems.

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store this product in a dry, cool place below 95 degrees Fahrenheit. Material reacts non-violently with moisture releasing fumigant vapors. Keep container tightly sealed when not in use. **DO NOT** reuse empty container. Keep this product and its vapors away from desirable plants, seeds, fertilizers, insecticides and other agricultural chemicals as plant injury may result from contamination.

Pesticide Disposal: Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal (supersack) Nonrefillable Container: **DO NOT** reuse or refill this container. Completely empty bag into application equipment; then dispose of empty bag in a waste incineration, or by other procedures approved by state and local authorities.

In Case of Emergency

In case of large-scale spillage in the U.S. regarding this product call:
