Re: Label Notification for Fipronil 90 MP (EPA Reg. No. 7969-244). Transfer of Pesticide Registrations and Data From Company Number 432 (Bayer Crop Science) to Company Number 7969 (BASF).

Dear Ms. Sibold,

This communication is to notify the Agency of changes to the Fipronil 90 MP label. These changes are based upon the July 7, 2006 letter from EPA.

The highlighted label denotes specific changes. These changes are also enumerated below:

- 1) Updated EPA Reg No. to 7969-244
- 2) Updated Hot Line Number to BASF information
- 3) Added **In Case of Emergency** section to clearly list emergency phone numbers
- 4) Removed Bayer's **Conditions, Disclaimer, and Limitations of Liability** and added BASF's standard **Conditions of Sale and Warranty**.

Attached to support this submission is one highlighted and five (5) loose copies of the label. Also included are: completed EPA form 8570-1, copy of the stamped approved label, and the Agency letter dated 7/7/06.

As no data review is required, BASF believes that there is no PRIA fee associated with this action. Please feel free to contact me (919-547-2108 / david.bolin@basf.com) if you have any questions.

Respectfully Submitted,
