NOTICE OF PESTICIDE
 Registration
 Reregistration
(under FIFRA as amended)

Name of Pesticide Product
CanDo™ Limonene Wasp & Hornet Jet Spray

Name and Address of Registrant (include ZIP Code)

BASF Corporation
26 Davis Drive
Research Triangle Park NC 27709

Note Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce In any correspondence on this product always refer to the above EPA registration number

On the basis of information furnished by the registrant the above named pesticide is hereby registered/reregistered under the Federal Insecticide Fungicide and Rodenticide Act Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency In order to protect health and the environment the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others

This product is unconditionally registered in accordance with FIFRA sec 3(c)(5) provided that you

- 1 Submit and/or cite all data required for registration of your product under FIFRA sec 3(c)(5) when the Agency requires all registrants of similar products to submit such data and submit acceptable responses required for reregistration of your product under FIFRA section 4
- 2 Revise the phrase EPA Registration Number to read as EPA Registration Number 7969 341
- 3 Submit one copy of the revised final printed label before you release the product for shipment

If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA sec 6(e) Your release for shipment of the product constitutes acceptance of these conditions

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION Harmful if swallowed inhaled or absorbed through skin. Avoid breathing of vapor. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. **DO NOT** remain in treated area and ventilate the area after treatment is completed. **DO NOT** contaminate water, food, or foodstuffs. Remove all pets and birds. Cover fish tanks or remove before spraying.

Environmental Hazards

DO NOT apply directly to water or to areas where surface water is present. To protect the environment, **DO NOT** allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

Physical or Chemical Hazards

Flammable Contents under pressure. Keep away from heat, sparks, and open flame. **DO NOT** puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting. **DO NOT** spray on plastic (including but not limited to vinyl) or directly into any electronic equipment. May cause staining (darkening) of asphalt surfaces and shingles on painted surfaces. Test a small area first and look for a reaction.

Directions For Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read all directions completely before use.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

Pesticide Storage

Store in a cool, dry area away from heat or open flame and inaccessible to children.

Pesticide Disposal and Container Handling

DO NOT puncture or incinerate!

IF EMPTY Place in trash or offer for recycling if available.

IF PARTLY FILLED Call your local solid waste agency for disposal instructions.

Application Instructions

Read the label first!

Kills following insect/bugs on contact

Wasps hornets bees and yellowjackets

Contains no CFCs or other ozone depleting substances

Federal regulations prohibit CFC propellants in aerosols

Application Information

If it is an outdoor nest stand at a safe distance (10 ft) away from the nest

- It is best to apply the product at dusk or early morning when insects/bugs are least active

To Treat Above Ground Nests

- Hold the can upright and align the actuator opening with the mark on valve cup
Aim the actuator opening toward nest Treat nest until thoroughly wet To prevent dying insects from falling on skin and clothing avoid standing directly under nest being treated
Wasps and hornets on nest should be contacted with spray when possible

To Treat Below Ground Nests

- Align the actuator opening directly opposite the mark on valve cup
- Spray with a sweeping motion any stimulated or stirred up insects around nest opening
- Afterwards move forward to nest opening and apply product for 10 seconds directly into nest hole This will suffocate bees and yellowjackets in nest Bees and yellowjackets trying to return to nest will be repelled and will fly away

Conditions of Sale and Warranty

The **Directions For Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF CORPORATION (BASF) or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks referred to above.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BUYER'S EXCLUSIVE REMEDY AND BASF'S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.

BASF and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of BASF.
