

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

7969-417

Date of Issuance:

1/14/21

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

PT Vedira Pressurized Insecticide

Name and Address of Registrant (include ZIP Code):

Christine Keating
Team Leader, Federal Registrations
Agricultural Solutions
BASF Corporation
26 Davis Dr.
Research Triangle Park, NC 27709

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Dr. Jennifer Saunders, Chief
Invertebrate & Vertebrate Branch 1, Registration Division
(7505P)

Date:

1/14/21

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, “EPA Reg. No. 7969-417.”
3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 03/06/2020

If you have any questions, please contact Jennifer Gaines by phone at (703) 305-5967, or via email at gaines.jennifer@epa.gov.

Enclosure

ACCEPTED

Jan 14, 2021

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 7969-417

PT[®] Veditra[™]

Pressurized Insecticide

Kills: Ants (excluding Carpenter, Harvester, and Fire), Crickets, Indian meal moths (adult and larvae), Kudzu bugs*, Millipedes, Paper wasps, Silverfish, Spiders (including Black widow and Brown recluse), and Stored product pest beetles

Controls: Ants (excluding Carpenter, Harvester, and Fire), Beetles (Asian lady)*, German Cockroaches, House and Stable Flies, and Stink bugs (Brown marmorated)*

*Not registered for use in California.

For Use In and Around: Apartments, Campgrounds, Food storage areas, Homes, Hospitals**, Hotels, Meat packing and food processing plants, Motels, Nursing homes**, Resorts, Restaurants and other food handling establishments, Schools, Supermarkets, Transportation equipment (Airplanes - cargo areas only, Buses, Boats, Ships, Trains, and Trucks), Utilities, Warehouses and other commercial and industrial buildings

** Remove occupants before application. After treatment, ventilate rooms for 30 minutes before returning patients to rooms.

Active Ingredients:

broflanilide: 3-(benzoylmethylamino)-N-[2-bromo-4-[1,2,2,2-tetrafluoro-1-(trifluoromethyl)ethyl]-6-(trifluoromethyl)phenyl]-2-fluorobenzamide	0.20%
alpha-cypermethrin: mixture of (S)-α-cyano-3-phenoxybenzyl (1R,3R)-3-(2,2-dichlorovinyl)-2,2-dimethylcyclopropanecarboxylate and (R)-α-cyano-3-phenoxybenzyl (1S,3S)-3-(2,2-dichlorovinyl)-2,2-dimethylcyclopropanecarboxylate	0.05%

Other Ingredients: 99.75%

Total: 100.00%

Contains petroleum distillates.

EPA Reg. No. 7969-XXX

EPA Est. No.

KEEP OUT OF REACH OF CHILDREN CAUTION/PRECAUTION

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.
(If you do not understand the label, find someone to explain it to you in detail.)

Refer to full label for **First Aid, Precautionary Statements, Directions For Use, Conditions of Sale and Warranty**, and state-specific pest and/or use site restrictions.

In case of an emergency endangering life or property involving this product, call day or night 1-800-832-HELP (4357).

FIRST AID

If swallowed	<ul style="list-style-type: none">• Immediately call a poison control center or doctor.• DO NOT induce vomiting unless told to do so by a poison control center or doctor.• DO NOT give any liquid to the person.• DO NOT give anything by mouth to an unconscious person.
HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-832-HELP for emergency medical treatment information.	

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Personal Protective Equipment (PPE)

Applicators and other handlers must wear:

- Long-sleeved shirt
- Long pants
- Shoes plus socks

USER SAFETY RECOMMENDATIONS

Users should:

- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change clothing.

Environmental Hazards

This pesticide is toxic to fish and aquatic invertebrates. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

DO NOT apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. **DO NOT** contaminate water when disposing of equipment washwater or rinsate.

This product is highly toxic to bees or other pollinating insects exposed to direct treatment or residues on blooming crops or weeds. **DO NOT** apply this product or allow it to drift to blooming crops if bees or other pollinating insects are foraging in the treatment area.

Physical or Chemical Hazards

Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. **DO NOT** puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Directions For Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions

- Commercial Structures - **DO NOT** apply more than once every 7 days.
- Residential Structures - **DO NOT** apply more than once every 28 days.
- **DO NOT** use on mattresses, pillows, bed linens or clothes.
- When applying in hospitals and nursing homes, remove occupants before application of this product. After treatment, ventilate rooms for 30 minutes before returning patients to rooms.
- **DO NOT** apply in classrooms when in use.
- **DO NOT** apply in institutions (including libraries, sport facilities, etc.) in the immediate area when occupants are present.
- **DO NOT** contaminate food, feed stuffs or water supply.
- **DO NOT** contaminate food preparation surfaces, kitchen utensils, dishes, or food/feed storage containers.
- Cover food/feed contact surfaces and cooking utensils in treatment area before treatment.
- **DO NOT** contact electrical wiring, plumbing, etc. when drilling and never use metal wood injectors where electrical shock could occur.
- **DO NOT** apply in aircraft cabins. Only treat cargo areas.

Application Instructions

BASF Crack & Crevice® Injection System

Use with the supplied actuator and injection tubes or other BASF equipment. Reapply at 7 day intervals in commercial establishments and 28 day intervals in residences.

For Crack & Crevice and Void Treatments

Place injector tip into cracks, crevices, holes, and other small openings where insects may be harboring, living, and breeding and inject.

- Crevices, holes and other small openings - Release approximately 1 second of product. Vertical **Crack & Crevice**[®] applications may involve short bursts to avoid runoff.
- Light infestations - Move injector tip along cracks while treating at the rate of 3 linear feet per second.
- Heavy infestations - Move injector tip along at 1 linear foot per second.
- Closed voids - Calculate the void's cubic area and treat at the rate of 1 to 5 seconds per three cubic feet. Several holes may be required in long-running voids.

Spot Treatment

Hold container upright while spraying. Direct nozzle approximately 12 inches from surface to be treated and apply at a rate of 2 seconds per 2 square feet.

- Apply directly on insects in these locations when possible.
- Only one spot treatment per room may be applied.
- Individual spot treatments should not exceed 2 square feet.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

Pesticide Storage

Store in a cool, dry area away from heat or open flame and inaccessible to children.

Pesticide Disposal

Wastes resulting from use of this product may be disposed of on-site or at an approved waste disposal facility. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representatives at the nearest EPA Regional Office for guidance.

Container Handling

DO NOT puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

In Case of Emergency

In case of large-scale spill of this product, call:

- CHEMTREC 1-800-424-9300
- BASF Corporation 1-800-832-HELP (4357)

In case of medical emergency regarding this product, call:

- Your local doctor for immediate treatment
- Your local poison control center (hospital)
- BASF Corporation 1-800-832-HELP (4357)

Indoor/Outdoor Applications

Perimeter Treatment

- **Crack & Crevice** or spot treatment - Apply to cracks and/or crevices where insects may enter premises or harbor. Areas to be treated are weep holes, under siding, wall voids, soffits, around attic vents, cracks and crevices and openings around windows, doors and pipes.

For Active and Hibernating Stages of Asian Lady Beetles*, Brown Marmorated Stink Bugs*, and Kudzu Bugs*

* Not registered for use in California.

- **Crack & Crevice** treatment - Apply to cracks and crevices and/or voids where these insects may be harboring or hibernating. Infested areas include cracks and crevices, behind siding, wall voids, around window and door frames.

Paper Wasps

Apply to top and bottom of the nest to contact as many insects as possible. Not for use on enclosed nests. This product does not provide instant knockdown. The best time to treat is late in the day. Depending on the situation, protective equipment for the applicator may be required to help prevent stings.

Indoor Applications

Crawling Insects [German Cockroaches, Crickets, Millipedes, Silverfish, and Spiders** (including Black Widow and Brown Recluse)]

- **Crack & Crevice** treatment - Apply to cracks, crevices and void spaces where insects may be harboring in the following areas: attics, bookcases, openings around pipes and sinks, under refrigerators, behind baseboards, washing machines, stoves, cabinets, sewers, floor drains, and meter boxes.
- Spot treatment - Apply to the following areas: storage areas; closets; around water pipes, doors and windows; around refrigerators, cabinets, sinks, stoves and other equipment; shelves, drawers, and similar areas.

** Spiders should be sprayed directly.

Ants (excluding Carpenter, Harvester, and Fire)

- **Crack & Crevice** treatment - Apply to cracks, crevices and/or voids where ants may be traveling and/or harboring, around doors, window frames, wall voids and other structural cracks and crevices.
- Spot treatment - Apply to storage areas; closets; around water pipes, doors and windows; around refrigerators, cabinets, sinks, stoves and other equipment; shelves, drawers and similar areas.

Indian Meal Moths (adult and larvae) and Stored Product Pest Beetles

- **Crack & Crevice**[®] treatment - Apply to cracks, crevices and/or voids where these insects may be harboring or hibernating. Infested areas are cracks and crevices in cabinets and pantries, wall voids, around window and door frames, under siding and in machinery.
- Spot treatment - Apply to storage areas; closets; around water pipes, doors and windows; around refrigerators, cabinets, sinks, stoves and other equipment; shelves, drawers and similar areas.

Food/Feed Handling Establishments

Food/feed handling establishments are places other than private residences in which food is held, processed, prepared, or served, including those operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Apply this product in food/feed areas of food/feed handling establishments as a **Crack & Crevice**, void, or spot treatment.

- **Food/feed areas** include areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (when food is exposed and facility is in operation) are also considered food areas.
- **Non-food/feed areas** include garbage rooms, lavatories, floor drains (to sewers), entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage areas (after canning or bottling).

Apply to baseboards, under elements of construction, stainless steel equipment, shelving, machinery, storage areas, pallets, tables, and chairs. This product can also be used as a preventive treatment for areas likely to have future infestations. Follow directions in **Application Instructions** section of this label.

DO NOT contaminate food/feed or food/feed contact surfaces. Remove or cover food/feed, dishes, utensils, food processing equipment and food preparation surfaces in the treatment area.

Conditions of Sale and Warranty

The **Directions For Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as environmental conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF CORPORATION ("BASF") or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer. BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks, referred to above. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW: (A) BASF MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY, (B) BUYER'S EXCLUSIVE REMEDY AND BASF'S AND SELLER'S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT, AND (C) BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.** BASF and the Seller offer this product, and the Buyer and User accept it, subject to these **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of BASF.

PCS915

Contains no CFCs or other ozone depleting substances.
Federal regulations prohibit CFC propellants in aerosols.
