POTENT ANTI-FOULING MATERIAL

IMPORTANT DIRECTIONS

For the bottoms of vessels subjected to unusually heavy fouling conditions.

Apply to clean, smooth surfaces. Do not apply to painted surfaces. Do not apply to galvanized steel. Do not apply to aluminum. Do not apply to copper. Do not apply to lead. Do not apply to zinc. Do not apply to tin. Do not apply to iron. Do not apply to steel. Do not apply to brass. Do not apply to bronze. Do not apply to nickel. Do not apply to chrome. Do not apply to silver. Do not apply to gold. Do not apply to platinum. Do not apply to palladium. Do not apply to rhodium. Do not apply to ruthenium. Do not apply to rhenium. Do not apply to osmium. Do not apply to iridium. Do not apply to selenium. Do not apply to tellurium. Do not apply to sulfur. Do not apply to phosphorus. Do not apply to arsenic. Do not apply to antimony. Do not apply to bismuth. Do not apply to lead. Do not apply to tin. Do not apply to iron. Do not apply to steel. Do not apply to brass. Do not apply to bronze. Do not apply to nickel. Do not apply to chrome. Do not apply to silver. Do not apply to gold. Do not apply to platinum. Do not apply to palladium. Do not apply to rhodium. Do not apply to ruthenium. Do not apply to rhenium. Do not apply to osmium. Do not apply to iridium. Do not apply to selenium. Do not apply to tellurium. Do not apply to sulfur. Do not apply to phosphorus. Do not apply to arsenic. Do not apply to antimony. Do not apply to bismuth.

MANUFACTURED BY
U.S. MARINE COATINGS, INC. SARASOTA, FLORIDA, U.S.A.

ONE U. S. QUART

Dependable Performance In Waters Everywhere

For the bottoms of vessels subjected to unusually heavy fouling conditions.

WARNING: (1) Keep away from heat and open flame. Use with adequate ventilation. Close container after using. Contains copper and other compounds, harmful or fatal if swallowed. Avoid contact with skin. In case of contact with eyes, flush with water. Do not inhale. Do not breathe dust or fumes. May be absorbed through skin.

One Quart (Standard Measure) 946 Liters (Metric Measure) 1.105 Imperial Quarts

WARNING: Keep Out of Reach of Children. See side panel for additional precautions.
