Mr. Don W. Eckroat  
Eckroat Seed Co.  
1106 M.L. King Avenue  
Oklahoma City, OK 73136

Dear Mr. Eckroat:

Subject: ECKROAT GOPHER GETTER BAIT  
EPA Registration No. 8007-1  
Your Letter and Progress Report of September 13, 1993

We have reviewed your latest progress report, which we believe is intended to apply to the period from June 10 to September 10, 1993. We note your intent to enlist the help of the Oklahoma Department of Agriculture in meeting the Density and Storage Stability data requirements for this product. As these data are due on September 17, 1993, we suggest that you have the Storage Stability study initiated promptly, if it is not already in progress.

The proposed revised Confidential Statement of Formula (CSF) is acceptable and supersedes all previously accepted CSFs.

The proposed revised label is acceptable. When you print labels, change "waste" to "wastes" in the second sentence of the "DISPOSAL" paragraph.

Please submit five (5) copies of your revised labeling before you release this product for shipment.

Sincerely yours,

Robert A. Forrest  
Product Manager 14  
Insecticide-Rodenticide Branch

# ECKROAT GOPHER GETTER BAIT

POCKET GOPHER

KEEP OUT OF REACH OF CHILDREN

**DANGER-POISON**

**IF SWALLOWED:** CALL A PHYSICIAN OR POISON CONTROL CENTER IMMEDIATELY. Show them this label. If you cannot reach a physician, give 1 or 2 glasses of water to dilute the poison. Do not induce vomiting or give anything by mouth to an unconscious person.

**IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated.

**IF ON SKIN:** Remove contaminated clothing and wash affected areas with soap and water.

**IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.

SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

50 LBS. NET WT. (22.7 Kg)

MANUFACTURED BY

**Eckroat Seed Co.**

OKLAHOMA CITY, OKLA. 73136

**DANGER**  
**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

Caution: Poisoned Grain is a restricted use pesticide. Do not contaminate food, feed, or clothing. Keep away from children, pets, and domestic animals. Wash hands thoroughly after handling and before eating or smoking. Clean clothing should be worn daily.

#### NOTE TO PHYSICIAN

- Administer 100% Oxygen by positive pressure to provide as much pulmonary gas exchange as possible, despite edema.
- Administer ANTIEMETIC DRUGS intravenously to control emesis.

**CAUTION:** It may be difficult or impossible to stop the victim actively without stopping respiration. Be prepared to maintain pulmonary ventilation continuously. Intubation may be necessary if respiration is prolonged.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Birds exposed to soil surfaces may be hazardous to birds and other wildlife. Do not apply directly to birds, streams, or ponds. Do not contaminate water by cleaning equipment or disposal of wastes.

**NOTICE:** The killing of an endangered species during otherwise lawful operations may result in a fine and/or imprisonment under the Endangered Species Act. Endangered species should not be removed from the ground surface except under permits and procedures approved by the U.S. EPA. Any and all violations are prohibited.

Not for sale or use in California.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**POISONED GRAIN:** This product is for use only for the control of pocket gophers. Do not use for any other purpose. Do not place soil on surfaces and around structures.

**Soil:** Apply to soil in the burrow. Follow manufacturer's instructions for the equipment used to apply the product. Do not use a 20 to 30 foot run dressing barrel. Apply only when soil is moist.

#### FOR POCKET GOPHERS:

**POCKET GOPHERS:** To locate underground tunnels, use an iron bar of a length of 12 inches and a diameter of 1/2 inch. Push the bar into the soil until it reaches the tunnel. Push the bar into the soil until it reaches the tunnel. Push the bar into the soil until it reaches the tunnel.

#### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food, or feed by storage or disposal. Store in the original container in a cool dry place inaccessible to children, pets, and domestic animals. Care must be taken to prevent spillage or leakage. In the event of a spillage, clean up the spilled material and dispose properly. Do not use if the label is torn.

#### DISPOSAL:

Portable wastes are usually hazardous. Improper disposal of wastes poses risks to public health, or results in a violation of Federal law. Wastes should be disposed of by a licensed waste disposal company. Contact your state or local health department for information on disposal of this product.

#### CONTAINER DISPOSAL:

Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty container into a secure container. Do not reuse for any other purpose. Do not use for any other purpose.

**NOTICE:** Seller makes no warranty, expressed or implied, representing the use of this product other than that indicated on the label. Buyer assumes all risk of use and/or handling of this material when used in any manner inconsistent with label instructions.
