NISSO SDIC-55

SODIUM DICHLORO ISOCYANURATE DIHYDRATE

FINE GRANULAR

FOR INDUSTRIAL USE

ACCEPTED
with COMMENTS
in EPA Letter Dated:

JUN 21 1980

Under the Federal Insecticide,
Fungicide and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

Active Ingredient : Dichloro -s-Triazinetrione DIHYDRATE 99%

Inert Ingredient 1%

100%

Available Chlorine 55%

KEEP OUT OF REACH OF CHILDREN
DANGER!

FIRST AID (PRACTICAL TREATMENT)

IF ON SKIN, remove loose powder and flush skin with cold water for at
least 15 minutes. If irritation persists, get medical attention.IF INHALED, remove person to fresh air. Then get immediate medical
attention.IF SWALLOWED, give large amounts of milk or water, raw egg white,
and induce vomiting. Call a physician immediately.IF IN EYES, flush with cold water for at least 15 minutes. Get
immediate medical attention.

PRECAUTIONARY STATEMENTS

NISSO SDIC-55

NISSO SDIC-55 (Sodium Dichloro Isocyanurate Dihydrate) is a strong oxidizing agent. This product is stable under normal conditions, but poor handling and use may cause accidents. Special attention should strictly be paid to the following precautions.

●HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER | HIGHLY CORROSIVE. Causes skin and eye damage. May be fatal if swallowed. Irritating to nose, throat and respiratory system. Do not get in eyes, on skin or on clothing. Avoid breathing dust and evolved gases. Remove and wash contaminated clothing before reuse. Do not attempt to clean up large spills without protective equipment including a self-contained breathing apparatus. Wear rubber gloves and goggles or face shield when handling.

●ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge lakes, streams, ponds or public waters. For direction contact the regional office of an environmental protection or control authority.

●PHYSICAL AND CHEMICAL HAZARDS

DANGER | STRONG OXIDIZING AGENT

Use only clean, dry utensils.

Contamination with moisture, organic matter, other chemicals including pool chemicals (e.g. Calcium Hypochlorite), or any other foreign matter may start a chemical reaction with liberation of hazardous gases like HCl , and may cause fire and explosion. Avoid any contact with flaming or burning material such as a lighted cigarette. This product decomposes at $460\sim 480^\circ\text{F}$ ($240\sim 250^\circ\text{C}$) with generating harmful gases.

IN CASE OF DECOMPOSITION OR FIRE, do not reseal container, and if possible, isolate container in open air or well ventilated area. Drench with large amounts of water (do not use small amounts of water.) . Stand upwind of

ALWAYS INVOLVING these chemicals not to breathe toxic gases. Firefighters must be equipped with a self - contained breathing apparatus.

5081

IN CASE OF SPILL, LEAK, OR BROKEN CONTAINERS, isolate broken containers in open and well ventilated area if possible. Do not try to clean up large spills without protective equipment including a self- contained breathing apparatus. Do not contaminate with dirt, organic matter, other chemicals, or any other foreign matter.

Do not get back spilled, contaminated material to original containers or containers remaining fresh material.

If spilled material is dry, sweep up it into clean, dry polyethylene bags or empty containers lined with polyethylene, and consult with persons of hazards for discarding.

Flush area with large amounts of water after spilled material is swept up for cleaning, but be careful not to wet other product or containers.

If no reaction is observed and spilled amount is small, mix spilled material with large volume of water, followed by neutralizing with sodium thiosulfate, $\text{Na}_2\text{S}_2\text{O}_3$, (at least 5 parts sodium thiosulfate to 1 part product) for immediate disposal.

●Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FOR INDUSTRIAL USE ONLY. FOR REPACKING OR FORMULATING AS A DISINFECTANT, SANITIZER, BACTERICIDE, FUNGICIDE OR ALGICIDE. Repackagers or formulators must obtain their own EPA Registration Number to legally market this product for these uses.

●STORAGE AND DISPOSAL

Storage :

When not in use, keep product dry in tightly closed container.

Store in a dry cool place, well ventilated area away from heat, direct sunlight or open flame. Do not contaminate water, food or feed by storage

or disposal.

Store out of the rain, and keep containers off wet floors.

Container disposal :

Do not reuse empty container. Before discarding, rinse empty container thoroughly with water to dissolve all the remaining material. Place empty container in trash collection and dispose in an approved landfill area.

Pesticide Disposal :

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

All the precautions stated above must be observed strictly, or else, since the conditions, under which this product will be handled, used, and stored are beyond the control of NIPPON SODA CO., LTD., we are not responsible for any accidents occurring after shipping this product out of our factory.

PRECAUTIONS FOR HANDLING

- (1) Avoid any contact with moisture, organic matter (e.g. machine oils, vegetable oils, paints, greases, rubbers or other organics), chemicals including pool chemicals (e.g. Calcium Hypochlorite), reduction materials (e.g. sulfur, char, or hydrosulfite), or other foreign matter.
- (2) Do not drop and roll container in falling sideways. Keep container upright.
- (3) Do not thrust container by such protrusion as fork of fork-lift truck.
- (4) Bandage or fix containers firmly not to tumble during loading /

unloading, or storage in piling up.

- (5) Avoid any contact with flame or burning material such as a lighted cigarette.
- (6) Do not permit vehicle's engine exhaust gas to container.
- (7) Do not expose container directly to sunshine for a long time.
