Dear Mr Reilly

Subject Amendment to add a supplemental label bed bug mattress use
F5688 11% ME Insecticide Termiticide
EPA Registration No 8033-109
Decision Numbers 469617
Submission Date September 5, 2012

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment. Please note that the supplemental label expires on May 1, 2015, and must not be used or distributed after this date. If you have any questions regarding this label, please contact Dr. Jennifer Urbanski at 703-347-0156 or urbanski.jennifer@epa.gov

Sincerely yours,

A handwritten signature in black ink that reads "Venus Eagle". The signature is written in a cursive style and is followed by a long horizontal line.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

Both this supplemental labeling and the full F5688 11% ME Insecticide Termiticide label must be in possession of the user at the time of application. Read the label affixed to F5688 11% ME Insecticide Termiticide label before applying.

Use of F5688 11% ME Insecticide Termiticide according to this labeling is subject to the use precautions and limitations imposed by the label affixed to the container for F5688 11% ME Insecticide Termiticide.

Bed Bugs	To control Bed Bugs, apply 1.25 fluid ounces per gallon water per 1000 square feet where evidence of bed bugs occurs. Thorough application must be made to crack and crevices where evidence of bed bugs occurs. This includes bed frames, box springs, mattresses, inside empty luggage, dressers and clothes closets and carpet edges, high and low wall moldings and wallpaper edges, wall hangings, mirrors, pictures, electrical switch plates, furniture, door frames, bookcases, and window frames. For infested mattresses, remove linens and wash before reuse. Apply to tufts, seams, folds, and edges until moist. Allow to dry before remaking bed. When treating furniture, pay special attention to tufts, folds, seams, and difficult-to-access areas. On furniture, do not apply to seating areas, arms, or areas where direct skin contact can occur. Do not use this product on bed linens, pillows, or clothes. Remove all clothes and other articles from luggage, dressers, or clothes closets before application. Allow all treated areas to thoroughly dry before use. Not recommended for use as sole protection against bed bugs. Do not use as a space or broadcast spray.
