

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg. Number:

8033-115

Date of Issuance:

NOV 03 2011

Term of Issuance:

Unconditional

Name of Pesticide Product:

F7180-8 Fly Sticker Insecticide
OTC

NOTICE OF PESTICIDE:

- Registration
 - Reregistration
- (under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Nippon Soda Co. Ltd.
c/o Nisso America Inc.
45 Broadway, Suite 2120
New York, NY 10006

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Revise the EPA Registration Number to read "EPA Reg. No. 8033-115".
2. The data requirements for storage stability (830.6317) and corrosion characteristics (830.6320) have not been satisfied, and must be submitted within 18 months of the date of this letter.
3. All fly sticker designs must be approved by the agency. The stickers may not contain images that may be appealing to children or that are brightly colored. Currently, all the approved submitted designs are in grayscales colors.
4. Submit 2 copies of your final printed label before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

If you have any questions, please contact Dr. Jennifer Urbanski at (703) 347-0156 or via email at urbanski.jennifer@epa.gov.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION:

Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating and drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Keep out of reach of children and domestic animals. Do not let children handle stickers. Do not handle stickers with wet hands.

ENVIRONMENTAL HAZARDS

This product is toxic to wildlife. This product is very toxic to bees.

FIRST AID	
If swallowed:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing:	Rinse skin immediately with plenty of water for 15-20 minutes. Take off contaminated clothing. Call poison control center or doctor for treatment advice
If in eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-(800)-331-3148 for Emergency Assistance. Note to Physician: No specific antidote is available. Treat patient symptomatically.	

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label before using this product.

Use Information: F7180-8 Fly Sticker Insecticide -OTC kills the following filth flies: house flies, little house flies, blow flies, bottle flies, flesh flies, phorid flies, fungus gnats, and vinegar (fruit) flies, that land on the sticker surface and ingest the sticker coating. [No fumes or vapors are released.] The coating on each sticker is attractive to flies. Flies ingest the coating and start to die within one minute. The dead flies do not stick to the surface. Remove dead flies with a brush or broom and dispose of in trash, or by vacuuming.

Place stickers on windows or other places flies congregate out of reach of children and pets. Stickers can also be placed in kitchens, pantries and food storage areas.

The number of stickers to use is based on the size of the area where flies are found -one sticker per 1000 cubic feet is recommended. In rooms with high infestations, or for quicker results, place a sticker in each window. [For maximum effectiveness, replace stickers applied indoors after 7 months or outdoors after 4 months.] [Replace stickers sooner when contaminated by dust, dirt, filth, etc. Keep stickers dry after application.]

Draft 11-03-11

Applying stickers: Stickers have an adhesive coating on one side and a paper cover on the other.

How to Apply: 1) With dry hands remove cover from the adhesive coating side first. 2) Place sticker in desired location. 3) Once sticker is adhered, remove the paper cover to expose the attractive coating. 4) Wash hands thoroughly after applying stickers

Do not wipe stickers after application [Prior to cleaning glass (window), use pull tab (which does not contain chemicals) to remove sticker.].
