PINE SCENT DISINFECTANT

A PHENOLIC GERMICIDE

PINE SCENT DISINFECTANT
Cleaner & Deodorant

PINE SCENT DISINFECTANT is an excellent disinfectant for use on floors, walls, screens, clothes and public buildings.

Combine one part of disinfectant with water (one part disinfectant and one part water) and apply to surface. Fast disinfecting action assures effectiveness in cracks and pores.

CAUTION: Keep away from food and dishes. Do not use on skin. Avoid contact with eyes. In case of contact, flush with water. If swallowed, rinse empty container thoroughly with water and discard it.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Do not store above 100°F (37.8°C). Store in cool dry place away from heat or open flames. Keep container sealed when not in use. Mix as needed, do not store diluted material.

Pesticide Disposal: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in sanitary landfill, or by other procedures approved by state and local authorities.
