Poly Chem, Inc.  
P.O. Box 10026  
New Orleans, LA 70181

Attention: Melinda S. Cochran

Gentlemen:

Subject: LEMON ODOR  
EPA Registration No. 8047-14  
Your Submission Dated October 13, 1988  
EPA Received Date October 19, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
  - a. Revise the referral statement to read as follows:  
  
See side panel for additional precautionary statements.
  - b. Place the statement "KEEP OUT OF REACH OF CHILDREN" directly above the signal word "Caution."
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

2/5  
-2-

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions, please contact Karen Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee  
Product Manager (31)  
Antimicrobial Program Branch  
Registration Division (TS-767C)

DESCRIPTION

Specially formulated, lemon cleaner, does four jobs in one operation: cleaning, sanitizing, disinfecting and deodorizing.

Based on quaternary ammonium compounds is effective against most disease and odor forming germs - as it cleans.

Economical, easy and fast to use. Manufactured for use in hospitals, public building, schools, restaurants, cafeteria, motels and other institutional buildings.

For cleaning and sanitizing all types of non-food contact surfaces not harmed by water, walls, woodwork, floors, counter tops, etc.

CAUTION-DO NOT MIX WITH SOAP OR OTHER DETERGENTS. DO NOT CONTAMINATE OR STORE NEAR FEED OR FOODSTUFF
