

ACTIVE INGREDIENTS:  
ALKYL DIMETHYL BENZYL AMMONIUM  
CHLORIDES (C14-C18) 12-17% (C10-C12) 10-15%  
ESSENTIAL PERFUME

INERT INGREDIENTS:  
WATER NONIONIC SURFACTANT  
COLORING 97-8095%

PHENOL COEFFICIENT: S. Typhosa 10, S. Aureus 15.

CAUTION

Do not mix PITT-O-CIDE with soap or anionic detergents as this impairs kill power. Do not take internally. Avoid contamination of food. Avoid getting PITT-O-CIDE in eyes; in case of contact, immediately flush eyes thoroughly with water for 15 minutes and get medical attention.

# PITT-O-CIDE

U.S.D.A REGISTRATION NO. 8061-1  
DISINFECTANT, SANITIZER ODORANT

PITT-O-CIDE is a registered professional formulation of a germicidal disinfectant, deodorant, and sanitizer. It is compounded specifically for the disinfecting and deodorizing of toilets, but has many other environmental health uses.

Spray PITT-O-CIDE daily on toilet fixtures and floor area immediately surrounding them to eliminate all foul odor and combat accumulation of urine scale and growth of bacteria. (Can also be applied with sponge, mop, or rag.)

**CAUTION: KEEP OUT OF REACH  
OF CHILDREN**
