(14pt) DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Every set consists of two coils. Separate the coils and use one at a time by placing it on the metal stand provided in the box. Light the outer end of the coil. Mosquitoes will be repelled on continuous contact with the smoke when the coil is lighted and used on porches, patios and similarly protected outdoor areas where there is little or no movement of air.
