

Precautionary Statements - HAZARDS TO HUMANS (and Domestic Animals): Warning! Vapor and spray mist can be harmful; irritating to eyes, skin, mucous membranes and respiratory system. Can cause headache, nausea, dizziness, asphyxiation or lung injury. Can be harmful if inhaled or swallowed. Possible eye and skin burns or injury. Overexposure to spray mist can damage kidneys, liver and blood. **FIRST AID** - If inhaled:

- Move person to fresh air.
- If person is breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible.

- If on skin or clothing:
- Take off contaminated clothing.
  - Rinse skin immediately with plenty of water for 15-20 minutes.

- If in eyes:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
  - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

- If swallowed:
- Call poison control center or doctor immediately for treatment advice.
  - Have person sip a glass of water if able to swallow.
  - Do not induce vomiting unless told to do so by a poison control center or doctor.
  - Do not give anything by mouth to an unconscious person.

**Hygienic practices** - Wash thoroughly after use and before eating, smoking or using washroom. Keep away from feed or food products. Launder contaminated clothing before use.

**Physical or Chemical Hazards:** Flammable. Keep away from heat, sparks, arc and open flame. Avoid breathing vapor, dust, spray mist or contact with eyes and skin. Use adequate ventilation during mixing, application and drying. Reports associate repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Wear protective equipment such as goggles,
