Precautionary Statements
WARNING

Hazard to Humans and Domestic Animals

Causes eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wear a face shield and rubber gloves when handling. Use in a well ventilated area. When used in confined areas or applied by spraying, wear protective clothing and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR 11. May be fatal if swallowed or inhaled. Do not breathe vapors or spray mist.

Practical Treatment

In case of skin contact, remove contaminated clothing and immediately wash skin with soap and water. Get medical attention. Wash contaminated clothing before reuse. If inhaled, remove to fresh air. Use artificial respiration if breathing has stopped. Get medical attention. If swallowed, do not induce vomiting. This product contains petroleum distillates. Get medical attention. If in eyes, immediately flush with plenty of water. Get medical attention.

WARNING! This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

Chemical and Physical Hazards

Do not use or store near heat or open flame.
