DIRECTIONS:

This product is a pine scented disinfectant for use in schools, hotels, motels, jails and all types of commercial buildings. It may be used on any hard surface, such as floors, walls, woodwork or ceilings where disinfection and deodorizing are desired.

Before using this disinfectant, heavy soil and dirt should be removed by using any good detergent cleaner.

For all general disinfecting, use two ounces of disinfectant per gallon of water. Wet all surfaces thoroughly. May be applied with either mop or spray. Leaves pleasant after-fragrance, as well as disinfected surfaces. Disinfectant in this product effective against a wide spectrum of both gram-negative and gram-positive organisms.

PINE ODOR DISINFECTANT
