

# HOSPITAL TYPE DUST MOP & DUST CLOTH TREATMENT

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labelling.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Do not stack more than four drums high. Leaking or damaged drums should be placed in overpack drums for disposal. Spills should be absorbed in sawdust or sand and disposed of in a sanitary landfill. Keep container closed when not in use.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

### ACTIVE INGREDIENTS:

n-Alkyl (50% C12, 30% C14, 17% C16, 3% C18)	0.15%
dimethyl ethylbenzyl ammonium chloride	
n-Alkyl (60% C14, 30% C16, 5% C12, 5% C18)	0.15%
dimethyl benzyl ammonium chloride	99.70%
<b>INERT INGREDIENTS:</b>	<b>100.00%</b>

**CAUTION: KEEP OUT OF REACH OF CHILDREN**

LIQUID DUST CONTROL TREATMENT FOR  
YARN BROOMS - DUST MOPS - DUST CLOTHS.

### FOR MOPS:

Spray mop evenly until strands are slightly moist. Allow mop to dry for at least six hours, or preferably overnight. Do not allow moistened mop to rest on composition tiles, etc. Accumulated dust and dirt are easily shaken out of mop. When too soiled for further use, launder and re-treat as above.

### FOR DUST CLOTHS:

For furniture, shelves, shelf goods, equipment, etc., spray dust cloth lightly, slightly moistening cloth. Hang up to dry for an hour or two - cloth is then ready to use, and can be used as a special dust cloth to polish and protect as it wipes clean.

Use cloth until it becomes excessively soiled. Then launder and repeat treatment.

Regular use of this product will aid in the control of bacteria and fungi growth on mops and dust cloths.

### CAUTION:

Harmful or fatal if swallowed. Contains petroleum distillate. If swallowed, do NOT induce vomiting. Call a physician. Avoid contamination of food-stuffs.
