**GENERAL INSTRUCTIONS**

This product is a powerful vegetation killer for control of annual and perennial weeds and grasses. Use as a spray on non-cropland areas where ground is desired. Control of weeds and grasses is dependent on the amount of chemical applied, soil conditions. This product is especially effective on municipal waste dumps.

**Important:** Do not apply on or near desirable shrubs, grasses, or other plants. Roots of desirable vegetation terminate initiation of growth. Thoroughly clean application as detergent after each use.

**DIRECTIONS:** This product is used as a spray on non-cropland areas. Apply to the ground surface. Do not spray on or near desirable plants. Do not spray on or near desirable plants. Do not spray on or near desirable plants.

**CAUTION:** Avoid contact with desirable plants. Do not spray on or near desirable plants. Do not spray on or near desirable plants.

Avoid spray drift to susceptible plants. Do not spray on or near desirable plants.

**COMPLETE VEGETATION KILLER**
