Mr. James J. Napoli, Ph.D.
Frank Miller & Sons Inc.
13831 South Emerald Avenue
Chicago, IL 60627

Dear Dr. Napoli:

Subject: Amendment Label Revision
Emulsifiable Vegetation Killer Concentrate
EPA Registration No. 8123-71
Your Submission of September 17, 1984

The amendment referred to above, submitted in connection with registration under FIFRA is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Close the parenthesis ")" at the end of the chemical name.
- b. Add the following headings above CAUTION on the right panel.

Precautionary Statements
Hazards to Humans

c. Modify "Keep out of lakes, streams or ponds..." to read:

Environmental Hazards

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

d. Above "Do not use, pour, spill or store near heat or open flame" add the heading:

Physical or Chemical Hazards

CONCURRENCES

SYMBOL ▶								
SURNAME ▶								
DATE ▶								

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Richard F. Mountfort *RF*
Product Manager (23)
Fungicide-Herbicide Branch
Registration Division (TS-767)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food, or food by storage or disposal.

STORAGE: Do not expose to extreme temperatures. Do not stack more than five drums high. Drums should be opened in well-ventilated areas. Leaking or damaged drums should be placed in overpack drums for disposal. Spills should be absorbed in sawdust or sand and disposed of in a sanitary landfill. Keep container closed when not in use. Do not store near fertilizers, seeds, insecticides, or fungicides. Store at temperatures above 32° F.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Uniformly spray one gallon of Emulsifiable Vegetation Killer Concentrate mixed in ten gallons of water over 1,250 sq. ft. of soil surface. Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or soon after weed emergence while growth is active. Where vegetation is tall and dense, use 1½ gallons of Emulsifiable Vegetation Killer Concentrate in ten gallons of water per 1,250 sq. ft. for control of hard-to-kill perennial weeds and grasses such as Johnsongrass, Bindweed, and Wild Carrot, use 3-4½ gallons per 1,250 sq. ft. Although Emulsifiable Vegetation Killer Concentrate has considerable activity through foliar contact, much of its activity is through the roots and therefore, adequate rainfall to move the chemical into the root zone is necessary.

Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed free soil surface.

Care must be taken to keep this herbicide away from desirable flower beds, lawns, and shrubs. Do not apply over roots of valuable trees, or woody ornamental plants. Only apply herbicide outside of the drip line of trees. Avoid spray drift to desirable plants.

EMULSIFIABLE VEGETATION KILLER CONCENTRATE

ACTIVE INGREDIENTS:

Prometon (2,4 Bis(isopropylamino) 6-methoxy-s-triazine)	4.66%
Petroleum Distillate	77.35%
INERT INGREDIENTS:	17.99%

TOTAL 100.00%

EPA REG. NO. 8123-71

EPA EST. NO. 8123-1L-1

SCIENTIFICALLY FORMULATED FOR
INDUSTRIAL and INSTITUTIONAL USE

CAUTION:

KEEP OUT OF REACH OF CHILDREN
CONTAINS PETROLEUM DISTILLATES
HARMFUL OR FATAL IF SWALLOWED

This emulsifiable concentrate provides effective non-selective weed control on non-cropland areas such as parking lots, fence rows, railroad sidings, drainage ditch banks, and around buildings or industrial sites where bare ground is desired, a wide variety of annual and perennial weeds and grasses are controlled on the above sites.

IMPORTANT: Read the entire Directions for Use and the Conditions of Sale and Warranty before using this product.

CAUTION

Keep out of reach of children.

Harmful if swallowed. If swallowed, do not induce vomiting. Call a physician immediately.

Avoid contact with eyes and skin. In case of skin contact, wash with soap and water.

Avoid inhalation of spray mists.

Avoid contamination of food and feed.

Do not contaminate water used for irrigation or domestic purposes.

Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Apply this product only as specified on this label.

Do not use, pour, spill or store near heat or open flame.

NOTICE

Since weather and other conditions under which this product may be used will vary, the Seller makes no warranty of any kind, expressed or implied, concerning the use of this product. The user assumes all risks of use or handling not in accordance with directions or suggestions.
